Sec. 2. General Provisions. Appropriations made in this bill are intended to be, and shall be, construed as being the maximum sums, respectively, which may be used in any way for the purposes or objects named in the bill, and obligations shall not be incurred in any case which, when the amount thereof added to expenditures actually made, will exceed such maximum sum; and no surplus shall be diverted from one appropriation to another.

Provided, that all printing and stationery shall be purchased through the Board of Control, and shall be confined to such articles and qualities as selected and contracted for by the Board of Control.

Provided, that no account against any items of witness fees, county attorneys, justices of peace, sheriffs, and constables' fees, and costs of sheriffs, attorneys, and clerks in felony cases, shall be binding as an obligation against the State of Texas, until such account shall have been examined, audited, and approved by the State Comptroller, and no such account shall be paid by the State Treasurer until the same has been so approved by the Comptroller.

Provided, that the Governor, in case of an extraordinary emergency, may authorize a deficiency for such purpose or purposes which could not have been anticipated or provided for by the Legislature. All moneys appropriated by this Act shall remain in the State Treasury, and be paid out only as it is expended, or as the necessity or emergency may require.

Provided further, that it shall be the duty of the head of each and every department of the State Government, annually, and within sixty (60) days after the close of the State's fiscal year, to make a sworn statement to the Governor of all amounts expended by said department, and especially list therein the total amount expended by such department for traveling expenses, and the amounts expended for the purchase of automobiles, and all expenses for gasoline, oil, repairs, parts, and supplies for all automobiles used by such department; and the head of each department, simultaneously with the filing of his report with the Governor, shall forward a copy of said report to the State Board of Control.

Provided further, that none of the above salaries shall be paid to any of the above-mentioned appointive employees by the Comptroller, until each employe has filed with the Comptroller an affidavit showing his or her marital status; and the Comptroller is hereby forbidden to issue any warrant to any husband whose wife is an employe of any department, board, commission, or any other agency of the State of Texas, and/or to a wife whose husband is an employe of any department, board, commission, or any other agency of the State of Texas.

Annual salaries shall be paid in twelve (12) equal monthly installments. Printed matter, stationery, materials, and supplies, in any way authorized (by this bill or other law) to be purchased or contracted for or in behalf of any court or agency thereof named in this bill, shall be purchased or contracted for by the Board of Control, and in the appropriate general manner provided for the Board of Control in existing law.

No funds appropriated in this bill shall be used to pay any expense of traveling outside the boundaries of the State of Texas, or for payment (or reimburse for payment) of any tip or gratuity whatsoever.

Each officer, agent, or employe of a court named in this Act, and entitled to be paid a salary or other compensation out of an appropriation above-made, shall be paid by warrant issued in his or her name and specifically showing the amount of salary or sum due and the services for which the payment is being made (with date or dates and place or places of performance of such services) such warrant to be endorsed, before payment thereof, by such officer, agent, or employe.

The following rules shall be observed by all officers and employes in rendering expense accounts before any expense account shall be paid from appropriations herein made for "traveling expenses" for employes, judges, or officers:

There must be a concise statement of the duties performed, and the points from and to which the employe, judge, or officer travels, the hour of arrival at, and departure from, the designated post of duty, and the mode or modes of conveyance.

The name of each hotel, restaurant, boarding or rooming house at which meals and lodging are procured shall be given in every case.

Fees, as tips to waiters on dining cars, or at hotels, or restaurants, or otherwise, shall not be approved.

The use of railroad scrip books and other fares or transportation provided at the expense of the State are hereby prohibited, and hereafter all railroad and other transportation shall be paid in cash, and properly listed in expense accounts rendered. Tax exemption certificates shall be used in all cases where the State is exempt from the payment of government tax under Federal provision. The State Comptroller shall be governed accordingly in the issuance of warrants covering payment for railroad scrip books and other forms of transportation.

Money appropriated above for stamps or postage shall be expended only upon warrants made payable to a postmaster, and endorsed by such postmaster, or his deputy, or authorized clerk.

That portion of every appropriation made herein which is unexpended at the close of the fiscal year for which the appropriation is made shall immediately revert to and become a part of the General Revenue Fund.

It is hereby provided that the word "unexpended," as used in this Act, means "not disbursed nor contracted to be disbursed."

Sec. 3. All fees paid to clerks or officers, or other employes, of all appellate courts named herein, either for official or unofficial copies of opinions, or for other services or documents, shall be deposited monthly in the State Treasury, and none of such fees shall be retained by said officers or clerks.

Sec. 4. All laws and parts of laws in conflict with this Act are hereby repealed.

Sec. 5. If any section, subsection, or any part, or provision of this Act shall be held unconstitutional or invalid, such holding shall not affect any other part or provision of the Act.

Sec. 6. The fact that this is one of the general appropriation bills to provide for support, maintenance, and operation of important agencies of the State, and the crowded condition of the calendars of the two Houses of the Legislature, creates an emergency and an imperative public necessity for the suspension of the constitutional rule, requiring bills to be read on three several days, and for the taking effect of the Act immediately upon its passage, and such rule is hereby suspended, and it is enacted that this bill take effect immediately upon its passage.

## In Memory of Mrs. Elizabeth Tilghman

Mr. Metcalfe offered the following resolution:

Whereas, The House has learned with sincere and deep regret of the death of Mrs. Elizabeth Tilghman, mother of Sarah Tilghman Hughes, beloved Member of this House; and

Whereas, This House deeply sympathizes with Mrs. Hughes and keenly appreciates her great grief, and while recognizing the inevitability of our final dissolution, yet we are saddened by the temporary separation of Sarah and her mother; and surely we know the Master of all our destinies was kind to her as she entered the Portals of Peace; therefore, be it

Nobly, her soul has done its best, then left its House of Clay. She did not die, but went to rest like sunset on the ocean's breast; that gilds with glory all the West, to rise another day.
